

### Resting in God's Choice

#### Getting Started

1. Would you rather have an easy job working for someone else or work for yourself but work incredibly hard?
2. What number are you in the birth order of your family? And what number would you want to be?

#### Digging Deeper

3. What sin caused God to reject Saul as King of Israel (I Sam 15:1-11)?
4. List all the ways that Samuel performed God's commands in chp 16?
5. How is the anointing of David similar to anointing of Jesus?

#### Living It Out

6. How should we respond when a Christian leader falls into sin?
7. How should I Samuel 16:7 impact the manner in which we cast judgment upon others?
8. How can we be a church who rests in God's vision and commands?

### Resting in God's Choice

I Samuel 16:1-13

God's choices for your life will not always make sense to you in the moment. He will choose to bring you through dark valleys and deep trials. In the hours when you doubt His wisdom, don't run to your own knowledge and experience. Don't find strength in the world or yourself. Continue to rest in His choices by walking in humble obedience.
