Easter Sunday

Colossians 1:18-20

The story of Easter is more than a powerful tale to serve as the backdrop for Hollywood films or a story to fill time during children's Sunday School. The story of Easter is the moment when all human and heavenly history changed for the better. Easter is when the King was Crowned with glory, death was crushed under His feet, and the world began to be remade anew. Let's worship the One who rose and brought the power of new life.
