

# DAVID King to Tyrant

## The Hope of God's People

II Samuel 23:1-7

Where does your hope rest? Do you hope in a brighter tomorrow or in a home in heaven? Do you despair when you begin to think about the upcoming days or trials surrounding your life? King David placed his hope in the prophesied coming King who would bring the fear of the LORD to a fallen world. May we learn the power and peace of being people who hope in the King.
