## The Importance of Covenants

II Samuel 21:1-14

Most of us fail to appreciate the significance of covenants before our God. God is a person of His Word. He will fulfill His every promise, so He calls on His people to keep their word as well. This morning we will look at the importance of our promises made before God and the even greater importance of being someone who rests upon the New Covenant with Christ.

**The LORD will hold us \_\_\_\_\_ for

**The LORD will \_\_\_\_\_ those who are

**The LORD will \_\_\_\_\_ those under the
