Getting Started

1. Would you rather spend a relaxing weekend hiking in the woods or laying at the beach?
2. What was your favorite activity to do with your favorite childhood friend?

Digging Deeper

Read Philippians 2:5-7

3. How is Jonathan an example of Christ-like living?
4. Why do you think Saul was afraid of David?

Read Genesis 3:1-6

5. What is the difference between Eve's response to Satan's temptation to be like God in comparison to David's response to the temptation to take Saul's oldest daughter?

Living It Out

6. Who in the church can you encourage this week by reminding them of their value in the eyes of Christ?
7. Saul chose to respond to David's success with jealousy and suspicion. How should we respond to the success of someone in our church?
8. Why should a believer in Jesus Christ never feel alone?

I Samuel 18:1-19

Our passage this morning covers an unknown length of time in the life of David as he was established in the courts of Saul and the armies of Israel. Throughout this sensitive time David was never alone. The LORD was always at His side as well as the support of the people of God. Our passage this morning teaches us about the continual presence of the LORD in the lives of His people. Rest in God's presence in your life.
