

How to Live for God's Glory

"Prepare Your Heart for Humility"

Daniel 4:1-37

How do we live for God's glory in a world hostile to His Name? We begin to prepare our hearts to be humble before the Lord, so we may be empowered to suffer and be rejected on account of His Name. It is the humble who are willing and able to stand fast before the opposition of this world. A story of Nebuchadnezzar shows us how to be humble in this world.
