

THE DAY OF ATONEMENT

Our Access to God

Leviticus 16:1-34 and Hebrews 9:6-15

The Day of Atonement (Yom Kippur in Hebrew) is one of the least taught and understood of the ancient holidays in the Mosaic Law. This morning Pastor Shawn will walk us through the celebration of this Jewish holiday and fast. Through a lesson on the Day of Atonement may we better understand and appreciate the atonement brought to us through the Lamb of God, Jesus Christ.
